

Benefits All In

*Personalized support
for every family*

Provided by:

Diocese of Columbus has partnered with **Benefits All In (BAI)** to ensure every employee has a **knowledgeable advocate** in their corner. BAI is here to help you **understand** your healthcare options and feel **confident** in the plan you choose.

No Cost to You

BAI's services are provided at no charge as a benefit of your employment.

Conflict-Free Guidance

As an independent third party, BAI's only goal is finding the right fit for your family.

One-on-One Support

You and your family have a dedicated specialist for all your benefit needs.

As an independent third party, BAI has no stake in which plan you pick. That means you get **honest, conflict-free guidance** focused entirely on finding the coverage that appropriately fits you and your family's needs.

BAI has helped thousands of families **discover and obtain** coverage they didn't know were available to them. Whether you have questions about your current plan, are facing a health challenge, or dealing with a financial hardship, BAI provides **one-on-one** education and guidance to employees and their families.

Connect with BAI today for personalized support
